- 1.2 Tenants must also observe any other rules or regulations which the Council makes at any time in the future.
- 1.3 Tenants must comply with all directions given by an appropriate Officer of the Council, or any directions properly given by or on behalf of an Association.

2. Tenancies and Vacant Allotments

- 2.1 All Tenants must complete and sign a Tenancy Agreement. Each Plot will be in the name of one Tenant. Groups or organisations must submit a pre-tenancy application for approval by the Councils. Such Tenancies will be in the name of one person known as the principal Tenant.
- 2.2 Joint or shared Tenancies are not permitted.
- 2.3 Vacant Allotment Gardens on a Site must be offered by the Council or the Association to applicants on the waiting list for that Site kept by the Council or Association except where the Plot falls vacant because of the Tenant's death where the plot must be offered to any member of the Tenant's immediate family i.e. spouse/civil partner, mother, father, son, daughter, helper¹ who wishes to take over the Allotment Garden (and if more than one, the one the Association (Committee) selects in consultation with the Council).

¹ Firm definition of helper required to avoid claim-jumping.

- 2.4 The Tenancy year commences on 01 October and ends on 30 September.

3. Assignment

- 3.1 The Tenancy of an Allotment Garden is personal to the Tenant named in the tenancy agreement. The provision of false information e.g., name, address etc will invalidate the tenancy agreement. Tenants may not assign, sublet, or part with possession of all or part of their assigned Allotment Garden (including the chalet or tool locker/or greenhouse).

4. Rent

- 4.1 Rent is due at the commencement of the Tenancy and annually on 01 October thereafter (unless otherwise stated in the Tenancy Agreement). The Council may offer or require discounts to be made on whatever basis the Council decides.
- 4.2 Rent may be increased at any time provided the Council takes reasonable steps to give all Tenants 12 month's notice. An accidental failure to give notice to an individual Tenant will not invalidate that Tenant's Rent increase.

 - 5.5 Where a Tenant fails to maintain a good standard of cultivation, the Council or Association will serve a “Letter of Concern” giving a specific period for improvement. Failure to improve the Plot may lead to termination of the Tenancy following a Notice of Re-Entry being issued by the Council.
 - 5.4 If the Plot is left in a poor state of cultivation or requires the removal of materials, property or rubbish, then the vacating Tenant may be required to re-imburse the Council for reasonable costs.
 - 5.5 Allotment Gardens must not be used to grow any crops for which compensation may be payable at the end of the Tenancy.
